Instructions

- 1) Place your return in a suitable shipping container that is sealed. If you do not have an acceptable shipping container, you can bring your return to your local FedEx location to acquire one.
- 2) Cut along the dotted line and attach the entire left side to the top of the package used for shipping.

The shipping method determined for your package is FedEx Ground ®

Your package can enter the shipping network in the following ways:

- 1) Drop off at any FedEx location (e.g., FedEx Office, FedEx Drop Box, participating Walgreens and more), which can be found in your shipping instructions in the label print / save window.
- 2) If you have a daily pickup of FedEx Ground ® you can leave your package for the driver that comes to your location.
